DIY KNIT BIG CABLE BRAID HAT

HELLO, LATELY I'VE BEEN WATCHING THE TV SERIES "ONCE UPON A TIME" AGAIN, THEY WEAR SOME BEAUTIFUL HATS AND SWEATERS. AND NOW I REALLY WANT TO KNIT A HAT AGAIN!

GAUGE TUTORIAL → <https://youtu.be/baVuwr-U86U>

MAGIC LOOP TECHNIQUE → <https://youtu.be/rKVWi9I6ROA>

YARN: LOOPS & THREADS ECO-COZY #5 YARN

NEEDLE: 6.5 MM FOR RIB, 8 MM FOR HEAD PART

GAUGE WITH 8 MM NEEDLE – NORMAL, 4" X 2" = 13 STS X 8 ROWS

GAUGE WITH 8MM NEEDLE A LITTLE STRETCHED: 4" X 2" = 11 STS X 7 ROWS

I USED THE GAUGE WITH A LITTLE BIT STRETCHED, BECAUSE THIS IS A HAT, YOU WANT TO HAVE A TENSION AROUND YOUR HEAD, OTHERWISE IT IS GOING TO BE TOO LOOSE.

IF YOU LIKE A LOOSE HAT, YOU CAN USE THE REGULAR GAUGE. IT'S UP TO YOU 😊

MY MATH:

4" VS 22" = 11 VS (X STS)

4X = 22 X 11

X = (22 X 11) / 4

X = 60.5

CAST ON: MULTIPLE OF 10 / I MADE 60 CASTS

RIB WITH 6.5 MM NEEDLE: (K1, P1) UNTIL YOUR DESIRE LENGTH / I MADE 2"

SET UP ROW: I CHANGED THE NEEDLE TO 8 MM, THEN KNIT 1 ROUND AS FOLLOWINGS,

1. EVERY 10 STS, ADD 1 MARKERS
2. WITHIN 10 STS, (P1, K8, P1)

PATTERN BY BEGINNER'S LUCKRAFT

BIG CABLE BRAID DESIGN

R1: (P1, K8, P1)

R2: (P1, K2, C4F, K2, P1)

R3: (P1, K8, P1)

R4: (P1, K4, C4F, P1)

R5: (P1, K8, P1)

R6: (P1, K2, C4B, K2, P1)

R7: (P1, K8, P1)

R8: (P1, C4B, K4, P1)

REP R1 TO R8 UNTIL YOUR DESIRE LENGTH

DECREASING YOU WILL KNT 8 ROWS, SO YOU HAVE TO STOP BEFORE 8 ROWS FROM YOUR DESIRE LENGTH.

YOU CAN START DECREASING ON ANY ROWS, BUT I WOULD LIKE TO RECCOMMED TO AOID STARTING ON R4.

I STARTED DECREASING ON R5

YOU WILL USE K2TOG TO DECREASE 1 ST ON EVERY ROW.

FOLLOW THE WRITTEN INSTRUCTION ON THE ROW UNTIL LAST 3 STS BEFORE THE EVERY Ms, THEN K2TOG, P1.

ON NEXT ROW, YOU WILL CONSIDER 1 MISSING ST!

EXAMPLE FOR MY CASE

DR5: (P1, K6, K2TOG, P1) = 9 STS TOTAL AFTER DEC

DR6: (P1, K2, C3B, K2TOG, P1) = 8 STS TOTAL AFTER DEC

DR7: (P1, K4, K2GOG, P1) = 7 STS TOTAL AFTER DEC

DR8: (P1, C3B, K2TOG, P1) = 6 STS TOTAL AFTER DEC

DR1: (P1, K2, K2TOG, P1) = 5 STS TOTAL AFTER DEC

PATTERN BY BEGINNER'S LUCKRAFT

DR2: (P1, K1, K2TOG, P1) = 4 STS TOTAL AFTER DEC

DR3: (P1, K2TOG, P1)

NEXT R: P1, (K1, P2TOG) UNTIL THE FIRST ST = 2 STS LEFT

DECREASING IS END

WEAVE THE END OFF
